Recommended Ethernet Adapter Support

In this version of ShurePlus Channels for Android, you can connect to your network of Shure devices either via Wi-Fi or wired Ethernet connection. Below are the Shure-tested and recommended Ethernet adapters. Each of them requires an additional adapter (e.g. USB-C to USB-A, or Micro-USB to USB-A) to connect to your smartphone model.

- **UGREEN** Ethernet Adapter USB 2.0 to 10/100 Network RJ45 LAN Wired Adapter
- **INSIGNIA** USB 3.0 to Gigabit Ethernet Adapter
- **Nonda** USB-A to USB-C Adapter
